Sunday, November 15

Open House 10am-3pm

Robert C. Shinn, Jr. Recycling Center

130 Hancock Lane in Westampton

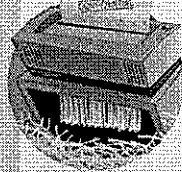

Computer/Television Recycling

Burlington County residents can bring old computer equipment (limit 6 units) and one television per household, 30" or less - no consoles - to be recycled. No businesses or nonprofits please.

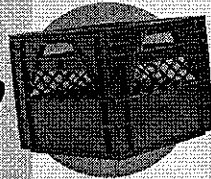

Shred Your Confidential Files for Free

Homeowners (no businesses, please!) have your confidential files shredded and recycled for free. The shredder truck will be on site from 10am to 3pm. Bring up to 4 boxes of personal files. No metal or plastic binders, but staples and small paper clips are OK.

Bulky Rigid Plastics

Want to recycle your old plastic lawn chairs, instead of putting them out for trash? Bring those and your 1 & 5 gallon buckets with metal handles attached (no paint, spackle & buckets with residue), milk/soda crates, laundry baskets, plastic toys and playhouses or clean plastic flower pots (with #2 recycling symbol ONLY) to our Bulky Rigid Plastics recycling. For a complete list of items we accept, visit http://www.co.burlington.nj.us/departments/resource_conservation/recycling/rigid/index.htm

Backyard Composting Workshops

Learn how to make black gold out of your kitchen and yard waste with free compost workshops. 2 sessions: 11am-Noon and 1-2pm. Pre-registration required. Call 609-499-1001, ext. 271

"The Magic of Recycling"

Entertaining and educational interactive performances by Bill Kerwood at 11am and 2pm.

Recycling Plant Tours

See what happens to all your bottles and cans and paper and cardboard!
