## Brush Collection

- Public Works will begin brush collection in April through November. The schedule may be modified at any time due to personnel; equipment and inclement weather.
- Every street will be collected only one time. Please be certain brush is out prior to 6:00 am. If brush has been collected on your street once, the Public Works Department cannot return to pick up brush put out late. Any brush placed curbside midweek will not be collected if your street has already been collected. Please do not place brush curbside more than one week prior to pickup.
- Brush should be no larger than (8) eight inches in diameter, and must be four (4) feet or longer.
- Brush should be piled curbside as not to block view or traffic with all cut ends facing the same direction. Because the brush will be fed into the chipper cut end first, all cut ends should be facing away from traffic, for ease of loading. If possible, this should be done the weekend prior to the collection date, to prevent piles from sitting for long periods of time at curbside.
- All vines, bamboo, and root balls must be removed.
- Small sticks, vines, and small shrubs can still be disposed of through regular trash collection, as long as they are tied in bundles weighing less than 50 pounds and are no longer than (3) three feet in length.
- The Township will not collect large piles as a result of any large landscaping projects or commercially cut brush. Disposal must be provided by the contractor or removed at the homeowner’s expense. This service is provided to assist resident’s dispose of small amounts of brush and tree limbs.
- Brush resulting from **lot clearing** and/or **tree removal** for any purpose that is generated by a contractor hired by the owner, or done by the owner themselves, shall be the responsibility of the property owner and shall not be collected by Public Works.

**Curfew.** As the school semester ends please be advised of the Township Code regarding Curfews of juveniles, defined as individuals under the age of 18 years.

**Township of Eastampton- Chapter 213-2.** *It shall be unlawful for any juvenile to be on or remain on or upon any public place within the Township between the hours of 10:00 p.m. and 6:00 a.m., unless accompanied by the juvenile's parent or guardian.*
